

PLASTIC FREE CHAMPIONS

As a local business, you have the power to push for significant change in how we handle plastic waste, and how much is generated in Mumbles

Becoming a Plastic Free Champion is easy and is tailored to you and your business. Our team can provide 1-1 support, advertisement and long-term assistance to help your journey. Let's set an example for the future of Mumbles' businesses!

WHAT'S THE PLASTIC DEAL?

With Mumbles' size population, Plastic Free Mumbles needs 20 epic businesses to take the single-use plastic free pledge

To become a Plastic Free Champion, you'll need to eliminate, or swap for a sustainable alternative, at least three single-use items of plastic from your workplace.

Our team features local business owners who understand the process of changing to plastic free alternatives. They are available to help and guide you all the way.

STARTING YOUR JOURNEY

It isn't about removing all plastic from our lives. It's about kicking our addiction to avoidable, single-use plastic and changing the system that produces it

Register your business with us! Our team can do this with you or you can email our Community Leader directly.

We'll send you everything you need to get going. A Business toolkit to answer all your questions, regular visits from our team and a Plastic Free action plan!
